# Medicaid Expansion

NC House and Senate have “come to an agreement” on Medicaid Expansion

NC GA want Medicaid Expansion to be passed as part of the budget

Expansion will likely look similar to [NC House Bill 76](#)

NC House Bill 76 includes a work requirement

Governor Cooper is supportive of Medicaid Expansion but would like to see it enacted as soon as possible

Gov. Cooper also wants NC to take advantage of up to \$1.8 billion in Healthcare Access and Stabilization Program (HASP) funds for hospitals which was included in HB 76

# Enhanced ePass Accounts

NC Medicaid encourages beneficiaries to create an enhanced ePASS account where they can make sure their contact information is correct and make any updates without having to go through their local DSS.
